**Sec. 82. Implementation of Infrastructure Projects.** In the implementation of infrastructure projects as authorized in this Act, all infrastructure implementing agencies shall coordinate to ensure that all roads, ports and airports are interconnected to facilitate transport of products from the farm and production areas to the market and to provide access to tourist destination areas. PROVIDED, That in the hiring of workers needed for the implementation of infrastructure projects authorized in this Act, priority shall be given to the socially and financially disadvantaged residents of the LGUs where the project is located.

**Sec. 83. Lease-Rental of Computers and Other Information Technology Equipment.** As an integral part of the fiscal discipline measures mandated by Section 40 hereof, it is hereby declared the policy of the government to "scale-down" expenditures on the acquisition and maintenance of computers and other information technology (IT) equipment as well as in the implementation of the computerization programs of government offices and agencies.

For this purpose, appropriations authorized in this Act for computerization programs, purchase of computers, or for the acquisition of any other IT equipment, may instead be used for the lease-rental of said computers and IT equipment consistent with a cost-benefit analysis: PROVIDED, That appropriations for purchase of computers intended for distribution to public schools and any other approved beneficiaries of IT equipment shall be exempt from the coverage of this section.

Implementation of this section shall be made in accordance with Joint Memorandum Circular No. 2002-1 dated July 22, 2002 issued by the National Computer Center and DBM.

**Sec. 84. Electronic Interconnection Through the Internet and E-Commerce Application.** Departments, bureaus, offices and agencies including GOCCs, may use existing appropriations to install an electronic on-line network to facilitate the open, speedy and efficient electronic on-line transmission conveyance and use of electronic data messages or documents consistent with R.A. No. 8792: PROVIDED, That agencies shall switch to Voice Over Internet Protocol from landline and mobile phone usage whenever applicable to reduce the cost of telecommunications.

The amounts to be made available for the foregoing may be utilized in the acquisition of computer equipment, preferably on a lease basis if appropriate and more cost efficient, and for additional upgrading of hardware components, peripherals and software, subject to the provisions of R.A. No. 9184 and its Implementing Rules and Regulations: PROVIDED, That such acquisition shall be consistent with the approved Information Systems Strategic Plan of the agency.

**Sec. 85. Implementation of Executive Order No. 429, Series of 2005.** The appropriations provided in this Act for the regional/field office in Region IV-B may be realigned to Region VI to implement E.O. No. 429, s. 2005 upon approval by the President of the Philippines of the implementation plan to be submitted by the DILG under A.O. No. 129, s. 2005.

**Sec. 86. Allocation for Mindanao.** Thirty percent (30%) of the applicable lump-sum appropriations integrated in the budget of agencies under this Act shall be allocated for projects, programs and activities for the development of Mindanao.

**Sec. 87. Transfer of National Government Agencies and Funds to ARMM.** National government offices and agencies in the ARMM which are not excluded under paragraph 9, Section 2, Article V of R.A. No. 6734, as amended by Section 3, Article IV of R.A. No. 9054, together with their personnel, equipment, properties and budgets shall be placed under the control and supervision of the ARMM Regional Government, pursuant to a schedule prescribed by the Oversight Committee in accordance with its mandate under the provisions of R.A. No. 6734, as amended by R.A. No. 9054. Prior to said transfer, the said agencies of the national government shall continue their operations and the discharge of their respective functions.

The appropriations provided in this Act for Basilan and Marawi City included in the budget of the various departments, bureaus, offices or agencies shall be transferred to the ARMM Regional Government.

**Sec. 88. Allocation for ARMM in Nationwide Projects.** In the implementation of nationwide projects, programs, and activities, whether funded under this Act or other laws, the implementing agency shall ensure that the requirements of ARMM are provided.

**Sec. 89. Allocation for LGUs.** The Internal Revenue Allotment (IRA) shall be apportioned among LGUs, including provinces, cities, and municipalities created, approved, and ratified in 2009, in accordance with the allocation formula prescribed under Section 285 of R.A. No. 7160 after taking into consideration the following:

- (a) The land area shall be based on the FY 2001 Land Management Bureau (LMB) certified Masterlist of Land Area unless the FYs 2004 Provinces, Cities and Municipalities, and endorsed by the Secretary of DENR and the Regional Secretary of the ARMM to DEN on or before December 31, 2009; and
- (b) The population shall be based on the FY 2007 Presidential Proclamation on the Official Population Count of the Philippines by Province, City, Municipality and Barangay.

PROVIDED, That any adjustments in the above-cited indicators that occurred or happened in FY 2010 shall be considered and implemented only in FY 2011 for the purpose of computing the IRA shares: PROVIDED, FURTHER, That member-municipalities may charge their share in the capitalization of the Partido Development Administration pursuant to R.A. No. 7820 against their respective IRA.

Enforcement of Sections 325 (a) and 331 (b) of R.A. No. 7160 shall be waived to enable LGUs to (i) absorb the cost of hospital services transferred from provinces to newly created cities; (ii) create the mandatory positions, for the initial year of such creation, specified in R.A. No. 7160; (iii) pay minimum Year-End Bonus of One Thousand Pesos (P1,000) for the Punong Barangay and Six Hundred Pesos (P600) for other mandatory barangay officials, and their cash gifts; and (iv) pay retirement gratuity and terminal leave benefits of employees.

**Sec. 90. Strict Adherence to Procurement Procedures, Laws, Rules and Regulations.** In the procurement of infrastructure projects, goods and consulting services, including works undertaken by administration, all departments, bureaus, offices and agencies, including SUCs, GOCCs and LGUs shall strictly adhere to the provisions of R.A. No. 9184, its Implementing Rules and Regulations (IRR), and other guidelines that may be issued by the Government Procurement Policy Board: PROVIDED, That the Government Electronic Procurement System (G-EPS) shall be used as the primary source of information on government procurement of common-use supplies, goods and equipment, and as a repository of all government procurement information, pursuant to R.A. No. 9184 and its IRR.

Consistent with the policy of transparency, and to achieve efficiency in the procurement process, procuring entities shall utilize the G-EPS, through its electronic catalogue facility, for the procurement of common-use supplies: PROVIDED, FURTHER, That all Invitations to Apply for Eligibility and to Bid, Notices of Award, and all other procurement-related notices shall be posted in the G-EPS Electronic Bulletin Board in accordance with the IRR of R.A. No. 9184, regardless of the method of procurement used.

For this purpose, all Central, Regional, and District Offices of national government agencies, SUCs, GOCCs, GFIs, and LGUs, specifically the provincial and city governments, are mandated to use the G-EPS and all its available facilities in their procurement activities. Similarly, all regional offices of national government agencies and municipal governments shall undertake measures to ensure their on-line access and connectivity to the G-EPS and its full use.

**Sec. 91. Construction Standards and Guidelines.** Appropriations authorized under this Act for the construction of buildings for SUCs, schools, hospitals, sanitarium, health centers and health stations, roads and bridges, and irrigation systems, among others, shall be implemented only in accordance with the appropriate standards and specifications for the planning, survey, design and construction of the project as prescribed by the DPWH, DOTC or National Irrigation Administration, as the case may be. In addition, land use and zoning guidelines as prescribed by existing laws, rules and regulations shall be strictly observed.

In the implementation of the construction projects, Sections 2-7, 9-10 and 12 of E.O. No. 182, s. 1987 and other legislations on public works shall be strictly complied with, except as otherwise provided in this Act.

**Sec. 92. Implementing Agency for Nationally Funded Projects.** Pursuant to Section 17(c) of R.A. No. 7160, projects, facilities, programs and services funded under this Act shall be implemented by the appropriate national government agency irrespective of the nature and location of such projects, facilities, programs and services: PROVIDED, That a Memorandum of Agreement may be entered into between the implementing national government agency and the LGU beneficiary, designating the latter or any other LGU to undertake the project or activity.

**Sec. 93. Submission of Annual Operating Budgets for Retained Income and Financial Statements.** Any department, bureau, office, or agency that is authorized by law to retain and use its income shall prepare and submit its annual operating budget covering its income and corresponding expenditures as well as its audited financial statements of the immediately preceding year to the DBM not later than March 1 of every year.

Failure to submit the said annual operating budget and the audited financial statements shall render any disbursement from said retained income void, and shall subject the erring officials and employees to disciplinary actions in accordance with Section 43, Chapter 5, and Section 80, Chapter 7, Book VI of E.O. No. 292, and to appropriate criminal action under existing penal laws.

**Sec. 94. Report on Compliance with COA Audit Findings and Recommendations.** All departments, bureaus, offices, agencies and instrumentalities of the government, including GOCCs and LGUs, shall within sixty (60) days from their receipt of the COA annual audit report, submit to the COA a status report on the actions taken on said audit findings and recommendations, copy furnished the DBM, the House Committee on Appropriations and the Senate Committee on Finance.

**Sec. 95. Submission of Quarterly Financial and Narrative Accomplishment Reports.** Within thirty (30) days after the end of each quarter, each department, bureau, office or agency shall submit a quarterly financial and narrative accomplishment report to the House Committee on Appropriations and the Senate Committee on Finance, copy furnished the DBM, the COA, and the appropriate Committee Chairman of the House of Representatives. The financial report shall show the cumulative allotments, obligations incurred/liquidated, total disbursements, unliquidated obligations, unobligated and unexpended balances, and the results of expended appropriations.

The quarterly report shall also include detailed statements on the disbursements and utilization of appropriations for the purchase of motor vehicles and equipment, capital investment outlays, as well as appropriations earmarked and released for rentals, travels, petroleum, oil and lubricants, water, illumination and power services, telephone and other communication services.

Likewise, the DBM shall submit to the House Committee on Appropriations and the Senate Committee on Finance a quarterly report on releases made from the lump-sum Special Purpose Funds, Supplemental Appropriations, Continuing Appropriations and Automatic Appropriations, and as applicable, the unreleased balances of such appropriations.

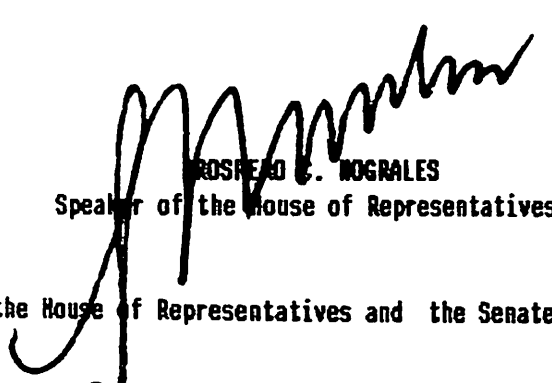

**Sec. 96. Exemption from Garnishment.** All amounts appropriated and released under this Act shall be exempt from garnishment.

**Sec. 97. Separability Clause.** If for any reason, any section or provision of this Act is declared unconstitutional or invalid, other sections or provisions hereof which are not affected thereby shall continue to be in full force and effect.

**Sec. 98. Effectivity.** The provisions of this Act shall take effect on January one, two thousand and ten, unless otherwise provided herein.

Approved.

# PRESIDENT'S VETO MESSAGE

MALACAÑANG  
MANILA

08 February 2010

**THE HONORABLE SPEAKER  
LADIES AND GENTLEMEN OF  
THE HOUSE OF REPRESENTATIVES**

Today marks another historic event, as I sign into law the final budget of my Administration, Republic Act No. 9970, the General Appropriations Act (GAA) for FY 2010, entitled "AN ACT APPROPRIATING FUNDS FOR THE OPERATION OF THE GOVERNMENT OF THE REPUBLIC OF THE PHILIPPINES FROM JANUARY ONE TO DECEMBER THIRTY-ONE, TWO THOUSAND AND TEN, AND FOR OTHER PURPOSES."

**I. GENERAL COMMENTS**

I begin with a sincere recognition of the commitment and hard work shown by the leadership and members of both Houses of Congress in the passage of this year's GAA. By this singular act, Congress has not only extended its hand of partnership with the executive but shown confidence in the hope and promise of this year's budget for the Filipino people.

The FY 2010 GAA is the culmination of this Administration's steadfast commitment to reform and responsible development. It embodies the fiscal reforms we have painstakingly instituted over the years. It supports the refocused social agenda crucial in the development of any nation. It seeks to protect and sustain the economic gains we fought hard to nurture in the midst of domestic and global financial difficulties. It is the fruition of the dreams we shared and now seek to achieve.

The challenge is now before us, for the executive to implement and transform this year's budget from one of hope into a reality. But this enormous task calls for a resolute commitment to execute the GAA with faithful observance of the policies of fiscal responsibility which were embodied in my proposed Budget. With this in mind, I hereby express the following comments to the changes made in the Budget I originally submitted to Congress.

**II. ITEMS FOR DIRECT VETO**

Consistent with the powers vested in me by the Constitution, I am obliged to directly veto some special and general provisions including provisos in the FY 2010 GAA for being contrary to the provisions of the Constitution and those of existing laws, rules and regulations:

PGMA Hologram # 54191

**A. PRIOR LEGISLATIVE AUTHORIZATION FOR BORROWINGS IN EXCESS OF THE DEBT CEILING**

Indeed, fiscal responsibility coupled with strong economic fundamentals has helped build a sound macroeconomic environment for our country, one that has allowed us to weather well the global economic crisis. But while I agree that imposing a debt ceiling is an effective tool in managing our fiscal stance and public expenditures, the same has to be pragmatically done over a number of years to provide flexibility and room to maneuver, so important in an "opportunistic" capital market. In fact, as a sign of our own commitment to responsible fiscal management, we have managed to bring down public sector non-financial debt from 88.1% of Gross Domestic Product (GDP) in 2000 to 59.7% by the end of first quarter of 2009. On the other hand, National Government (NG) debt has been reduced from 59.7 % of GDP in 2000 to 56.2% by the end of 2009. Through concerted efforts at revenue mobilization and declining deficits, the next administration can bring this down further to 51.95% at the end of three years.

Thus, I find the general provision requiring prior legislative approval for any borrowings that will increase the Government's total indebtedness beyond 55% of the latest GDP to be unduly restrictive and consequently prevents the Government from taking advantage of favourable market conditions. This is especially true when borrowings are needed for the Government to finance existing mandatory items or provide budgetary support for programs and projects designed to accelerate economic activities, narrow the budget deficit, refinance existing obligations, and extend the maturity or retire expensive loans.

Accordingly, I veto **General Provisions, Section 16, "Government Indebtedness and Guaranty", page 1205.**

**B. AVAILABILITY OF APPROPRIATIONS**

I cannot overstate the importance of protecting the fiscal program of the NG. Our economic resiliency is significantly anchored on the fine balancing of spending and revenue collecting we have implemented over the past years. For said reason, I am constrained to veto **General Provisions, Section 66, "Availability of Appropriations", page 1213**, which extends the validity of appropriations for Maintenance and Other Operating Expenses of the Education, Health, and Agriculture sector and all appropriations for Capital Outlays in the FYs 2008, 2009 and 2010 GAA from two (2) years to three (3) years. Said extension will inevitably result in the unmanageable accrual and administrative tracking of unexpended balances from previous appropriations acts which would greatly impact on the succeeding years' fiscal program.

With this, the nation is assured that the next President will build on a sound fiscal framework and not be fraught by the difficult task of managing the accumulation of huge balances from past GAAs.

**C. AUTOMATIC APPROPRIATIONS**

Time and again, I have emphasized that the automatic appropriation of expenditure items requires the passage of a separate substantive law and cannot validly be done through the GAA. Additionally, treating certain expenditure items in the GAA as automatically appropriated will unduly increase the expenditure program of the NG.

Thus, I hereby veto the below-quoted provisos under the following special provisions:

1. **Department of Agrarian Reform (DAR)-Office of the Secretary (OSEC), Special Provision No. 6, "Landowner's Compensation", page 19,** "PROVIDED, That the actual requirements for the redemption of the maturing bonds and interest on bonds of landowner's compensation; and other payables that may arise, including execution of judgments, shall be chargeable against the debt service program of the National Government or any unprogrammed item in the GAA."

However, let me note that despite the foregoing veto, the amount for the redemption of maturing Agrarian Reform (AR) bonds and its interests are still considered automatically appropriated pursuant to Section 1 of Executive Order (E.O.) No. 659, s. 2007 (*Improving the Negotiability and Acceptability of Agrarian Reform Bonds*), which treats AR bonds as issued by the NG thereby making the same a direct, unconditional and general obligation of the Republic of the Philippines.

2. **Department of Foreign Affairs (DFA)-OSEC, Special Provision No. 1, "Receipts and Income", page 453,** "PROVIDED, FURTHER, That a maximum of fifty percent (50%) of the income collected by honorary consulates which shall be automatically appropriated may be retained to cover their administrative expenses".

Notwithstanding this veto, a maximum of 50% of the income collected by honorary consulates may be retained consistent with the NG's expenditure program for the year.

**D. USE OF INCOME**

I am likewise duty bound to veto the inclusion of the following special provisions which allow agencies to directly use income. Existing budgeting laws mandate that all income of agencies shall accrue to the General Fund of the NG, unless otherwise authorized by a separate substantive law.

By virtue thereof, all income of agencies already constitute an integral part of the revenue and financing sources of the NG budget, which is made the basis of the general appropriations bill. Consequently, the insertion of these new use of income special provisions will result in the double programming of said income. In fine, permitting the use of agency income over and above its authorized appropriations will reduce the financing sources

of this year's GAA and, at the same time, unjustifiably increase the appropriations of said agencies.

Instead, I encourage these agencies to take on the challenge of generating more income and surpassing their collection targets as reflected in the Budget of Expenditures and Sources of Financing. This alternative will enable them, as with other agencies, to utilize such excess income on top of their authorized appropriations in accordance with Special Provision No. 9 of the Unprogrammed Fund.

Thus, I directly veto the following special provisions:

1. **Department of Environment and Natural Resources (DENR)-OSEC, Special Provision No. 2, "Wildlife Management Fund", page 394;**
2. **DENR-Mines and Geo-Sciences Bureau, Special Provision No. 1, "Royalty Share on Mineral Resources", page 417;**
3. **Department of Justice (DOJ)-Office of the Government Corporate Counsel (OGCC), Special Provision No. 2, "Attorney's Fees and Special Assessments", page 520; and**
4. **Department of National Defense (DND)-Philippine Veterans Affairs Office (PVAO)-PVAO Proper, Special Provision No. 1, "Use of Income", page 568.**

#### **E. INAPPROPRIATE PROVISIONS**

I note with great concern the inclusion of special and general provisions as well as provisos within a provision which are inconsistent with existing laws, rules and regulations, and should have been made the subject of a separate substantive law. Under Section 25 (2), Article VI of the 1987 Constitution, no provision or enactment shall be embraced in the general appropriations bill unless it relates specifically to some particular appropriation therein. Needless to say, the GAA is not the appropriate legislative medium to amend or provide the implementing rules and regulations of existing laws.

Accordingly, I directly veto the following:

1. The second paragraph of **DND-Government Arsenal (GA), Special Provision No. 2, "Authority to Barter and Sell Scrap", page 564**, to wit: "However, in case of sale of scrap items, it shall be sold through public auction and the money value of the scrap items shall be recorded as income of the Government Arsenal."

The above-quoted proviso runs contrary to Section 11 (e) of Republic Act (R.A.) No. 7898 (*Armed Forces of the Philippines Modernization Act*) which provides that proceeds from the disposal of excess and/or uneconomically repairable equipment and other movable assets of the GA

shall accrue to the Armed Forces of the Philippines (AFP) Modernization Act Trust Fund.

2. The provisos under **Department of Social Welfare and Development-OSEC, Special Provision No. 1, "Use of Proceeds from Sale of Welfareville Property", page 757**, which read: (i) first paragraph, "PROVIDED, That the amount of One Billion Five Hundred Million Pesos (PHP 1,500,000,000.00) out of the proceeds of the aforementioned sale shall be allotted and turned over to the Local Government Unit concerned to be utilized for the cost of the site development and construction of housing facilities resulting from the on-site relocation of the informal settlers"; and (ii) second paragraph, "and with reference to the relocation of qualified informal settlers therein, in coordination/consultation with the Local Government Unit concerned".

Similarly, the foregoing provisos contravene Section 2 of R.A. No. 5260 (*An Act Authorizing a Committee Composed of the Administrator of the Social Welfare Administration, the Auditor General and the Secretary of the Department of General Services to Sell the Welfareville Property located in the Municipality of Mandaluyong, Province of Rizal, And for Other Purposes*) which mandates the exclusive use of the proceeds from the sale of the Welfareville Property for the establishment of national children's home institutions, and community services for children in various parts of the Philippines.

Moreover, the needs of qualified informal settlers may be sufficiently addressed by the National Housing Authority (NHA), the Presidential Commission for the Urban Poor and the local government unit (LGU) concerned.

3. **DFA-OSEC, Special Provision No. 3, "E-Passport Service Fee", page 454.**

It bears stressing that the authority provided to DFA under this special provision to charge a service fee in an amount equivalent to 50% but not to exceed 100% of the E-Passport fee for the processing of E-Passports in special cases violates Section 17 R.A. No. 8239 (*Philippine Passport Act of 1996*). It unduly allows the DFA to charge a service fee beyond the threshold provided in Section 17 of not more than Two Hundred Fifty Pesos (P250.00) in the processing of passports in special cases.

4. **DFA-OSEC, Special Provision No. 10, "Medical Allowance", page 454.**

On the other hand, the authority given to the DFA Secretary to continually enter into a comprehensive global medical insurance contract by virtue of this special provision is rather misplaced. I note that Section 73 of R.A. No. 7157 (*Philippine Foreign Service Act of 1991*) simply provides that foreign service personnel may be required to subscribe to a medical insurance scheme available in the host country. It does not,

however, require the DFA Secretary to subscribe to a comprehensive global medical insurance. The provision for medical insurance of foreign service personnel should, therefore, be implemented in accordance with the intent of the aforementioned law.

Moreover, I wish to note that since foreign service personnel remain active members of the Government's National Health Insurance Program (NHIP), the DFA should instead take advantage of NHIP's universal health coverage. This way, the Government is able to efficiently use all of its available resources.

5. **The Judiciary-Supreme Court of the Philippines and the Lower Courts, Special Provision No. 3, "Honoraria for Special Projects", page 890.**

In the interest of ensuring the equal treatment of all government employees, the total honoraria to be received by the Judiciary for special projects should not exceed 25% of their annual basic salary pursuant to existing guidelines. The qualifications in the grant of honoraria for special projects, including the allowable rates thereof, should be equally applied across the bureaucracy to prevent undue preference to a specified branch of the government.

6. **Allocations to Local Government Units (ALGU)-Premium Subsidy for Indigents under the NHIP, Special Provision No. 2, "Use of Fund", page 959.**

This special provision which earmarks a portion of the appropriations for the NG's share in the health insurance premium of indigents to be used as LGU counterpart is contrary to Section 29 of R.A. No. 7875 (*National Health Insurance Act of 1995*), as amended by R.A. No. 9241 (*An Act Amending R.A. No. 7875*). Said section expressly mandates LGUs to provide their own counterpart contribution in the premium payment of indigents in their respective localities. Accordingly, the appropriations referred to in this special provision should be used *exclusively* as NG counterpart in the premium contribution of indigents in the 3<sup>rd</sup>, 4<sup>th</sup>, 5<sup>th</sup> and 6<sup>th</sup> class municipalities including those urban poor in highly urbanized towns and cities.

7. **General Provisions, Section 12, "Proceeds from the Sale of Bid Documents", page 1203.**

I also find the inclusion of this general provision which authorizes the use of proceeds from the sale of bid documents for the purchase of supplies, equipment, and related facilities to enhance the functions of the Bids and Awards Committee (BAC) to be improper. The foregoing proceeds are to be used *exclusively* for the payment of honoraria and overtime services pursuant to pertinent issuances. Any excess thereof

should be remitted to the National Treasury in accordance with budgeting laws, rules and regulations.

Besides, the supplies, equipment, and related facilities needed to enhance the functions of the BAC should have been considered in the formulation of the respective budgets of agencies.

**F. LEGISLATIVE CONSULTATION IN THE CONSTRUCTION OF FARM-TO-MARKET ROADS**

As in the previous year, I hereby veto the proviso under **Department of Agriculture (DA)-OSEC, Special Provision No. 3, "Implementation of Farm-to-Market Roads Projects"**, page 30, which reads: "in consultation with the Representative of the affected district, and". I believe that the identification of sites for the construction of farm-to-market roads (FMRs) should be left to the DA, in coordination with the LGUs and resident-farmers and fisherfolks. The Executive Branch, who, under the Constitution, remains responsible and accountable for the implementation of programs under this Act should be afforded adequate discretion in the manner and procedure of project implementation.

**G. DELEGATION OF PROJECTS TO LGUs BY CONTRACT**

Allow me to underscore that, as a rule, projects under the Department of Public Works and Highways (DPWH) are to be implemented by said agency as the engineering and construction arm of the Government. For said reason, delegation of project implementation are restricted to those implemented by the AFP Corps of Engineers, inter-department projects to be undertaken by other agencies, and to LGUs by administration or those with demonstrated capability to implement projects, in view of their technical knowledge and competence in the field of project implementation.

The inclusion, therefore, of project implementation of LGUs by contract infringes upon the fundamental policy on the permissible delegation of a DPWH function. As head of the Executive Branch, I hereby affirm the policy to limit delegation of project implementation to LGUs to those undertaken by administration. Thus, I am constrained to veto the proviso "Upon consultation with the representative of the legislative district concerned, Local Government Units (LGUs) may also be allowed to implement the projects either by administration or by contract: PROVIDED, That if implemented by administration, the LGUs should have the demonstrated capability to implement the project." in the second paragraph of **DPWH-OSEC, Special Provision No. 1, "Restriction on Delegation of Project Implementation"**, page 708.

PGMA Hologram # 54197

#### H. PAYMENT OF TOTAL ADMINISTRATIVE DISABILITY PENSION UNDER THE UNPROGRAMMED FUND

At the outset, let me emphasize that the Unprogrammed Fund merely provides standby appropriations for programs and projects not included under the programmed items in the budget. Thus, the inclusion of One Hundred Seventy Million Pesos (P170,000,000.00) under the Pension and Gratuity Fund (PGF) for the payment of total administrative disability (TAD) pension of World War II (WWII) veterans in this year's GAA warrants the veto of **Unprogrammed Fund, Special Provision No. 10, "Payment of Total Administrative Disability Pension", page 994**. In view thereof, the payment of TAD pension of WWII veterans should be governed by the pertinent special provision under the PGF.

### III. ITEMS FOR CONDITIONAL IMPLEMENTATION

I equally note the inclusion of new special provisions as well as revisions made in existing provisions that require the issuance of guidelines for their proper implementation. While I am certain of Congress' well meaning intentions in espousing these provisions, their implementation should nonetheless be subject to certain conditions for consistency with existing policies and uniformity in their execution with similar or related provisions. Consequently, I hereby subject the application and operation of the following special and general provisions to the issuance of guidelines by the appropriate agency of the Executive Branch pursuant to Sections 1 and 17, Article VII of the 1987 Constitution.

#### A. PROHIBITION ON IMPOUNDMENT OF APPROPRIATIONS

At the outset, allow me to underscore that increases in appropriations introduced by Congress in the GAA were taken from reductions made in the appropriations for interest payment to the tune of P64.6 Billion. Since by law, I am duty bound to honour the sovereign obligations of our Government, I am constrained to provide cash support for interest payments despite reduction in appropriations made by Congress.

In view thereof, implementation of **General Provision, Section 67, "Prohibition Against Impoundment of Appropriations", page 1214**, which prohibits the impoundment or temporary deferral of appropriations in the GAA except by virtue of a legislative authority, should be subject to certain conditions. Accordingly, release of the increased items of appropriations is subject to the identification by Congress of new revenue measures in support thereof. Indeed, without such new revenue measures, the executive will have no cash support for these items of expenditures introduced by Congress and will not be able to release said appropriations in accordance with this general provision.

PGMA Hologram #

54198

**B. INCREASES IN APPROPRIATIONS**

As a result of the aforementioned reduction by Congress in the appropriations for interest payments, the following increases in appropriations in the budgets of agencies were made, thereby affecting the NG's cash program for the year. Thus, in keeping with my avowed policy to observe prudent and responsible fiscal management, release of the increased items of appropriations is subject to the identification by Congress of new revenue measures in support thereof. Moreover, all allowable increase in appropriations should carry with it a corresponding increase in the respective outputs and improved outcomes of the agencies concerned.

1. **DAR-OSEC, Special Provision No. 3, "Agriculture and Fisheries Modernization Program", page 19.**
2. **DA-OSEC, Special Provision No. 1, "Agriculture and Fisheries Modernization Program", page 30.**
3. **Other Executive Offices-Commission on Higher Education, Special Provision No. 1, "Agriculture and Fisheries Modernization Program", page 833.**
4. **Budgetary Support to Government Corporations (BSGC), Special Provision No. 13, "Subsidy to the Philippine Crop Insurance Corporation", page 947.**
5. **BSGC, Special Provision No. 14, "Support for the Agriculture and Fisheries Modernization Program", page 947.**
6. **DENR-OSEC, Special Provision No. 3, "Hiring of Forest Protection Officers", page 394.**

Additionally, the hiring of forest protection officers by the DENR may only be undertaken with due consideration to their ongoing rationalization program.

7. **Department of the Interior and Local Government (DILG)-OSEC, Special Provision No. 1, "Ahon sa Kahirapan Support Program for Barangay-Based Development", page 485.**
8. **DILG-OSEC, Special Provision No. 2, "Performance-Based Grant Program to Local Government Units", page 485.**
9. **Department of Transportation and Communications (DOTC)-OSEC, Special Provision No. 4, "Civil Aviation Authority of the Philippines Projects", page 788.**

Likewise, I must stress that pursuant to the provisions of R.A. No. 9497 (*Civil Aviation Authority Act of 2008*), all the powers, duties and rights of

the former Air Transportation Office is now vested on and exercised by the Civil Aviation Authority of the Philippines (CAAP), including its assets, funds and revenues. As an earning government-owned and/or controlled corporation (GOCC) mandated to promote and develop civil aviation in the country, the CAAP should utilize its income for projects in support of airport and navigational facilities and not rely on any subsidy from the NG.

10. **BSGC, Special Provision No. 10, "Budgetary Support to the National Housing Authority", pages 946-947.**

I similarly note that the increase in subsidy of the NHA, due to the inclusion of disaster preparedness projects under its Resettlement Program, apparently resulted from the decrease in equity investment for its Local Housing Program (LHP). So as not to unduly hamper the implementation of ongoing projects under the LHP and allow NHA to focus on its priority resettlement projects, execution of this special provision is subject to guidelines to be jointly issued by the DBM and NHA.

**C. USE OF INCOME**

While certain agencies are authorized to use their income based on provisions of existing laws, revisions made in the following special provisions make the same inconsistent with said legal basis.

In particular, I observe that these changes now authorize agencies to retain their income and maintain the same outside of the National Treasury. It is, thus, imperative for me to stress that all income accruing to agencies by virtue of the provisions of existing laws should be deposited with the National Treasury pursuant to Section 44, Chapter 5, Book VI of E.O. No. 292, s. 1987 (*Administrative Code of 1987*).

Accordingly, I hereby subject the implementation of these special provisions to, among others, the submission of a Special Budget in the release of said income, and the issuance of guidelines by the agencies concerned.

1. **DENR-OSEC, Special Provision No. 1, "Use of Income", page 394.**
2. **Department of Health (DOH)-OSEC, Special Provision No. 9, "Use of Income by the Food and Drugs Administration (FDA)", page 468.**

Additionally, the FDA is required to submit its five-year program, detailing its financial plan, target activities, and physical goals to ensure its self-sufficiency within said period of time pursuant to the pertinent provisions of R.A. No. 9502 (*Universally Accessible Cheaper and Quality Medicines Act of 2008*).

3. **DOH-OSEC, Special Provision No. 10, "Use of Income by the Bureau of Quarantine and International Health Surveillance (BQIHS)", page 468.**

4. **DOTC-Maritime Industry Authority, Special Provision No. 1, "Use of Income", page 794.**

**D. VERIFICATION FEES**

I note that the increase in the amount of the working fund under **Department of Labor and Employment (DOLE)-OSEC, Special Provision No. 1, "Verification Fees", page 530**, is an additional programming for the DOLE. Said increase should, therefore, be supported by a corresponding increase in their collections from verification fees.

**E. ASSESSMENTS FROM GOCCs**

Considering that all income accruing to agencies is required by law to be deposited with the National Treasury, I hereby declare that the income referred to under **DOJ-OGCC, Special Provision No. 1, "Regular Assessments of the Office of the Government Corporate Counsel", page 520**, shall pertain to all assessments collected by the OGCC from their client GOCCs.

**F. PROVISIONS UNDER THE DFA**

1. **DFA-OSEC, Special Provision No. 1, "Receipts and Income", page 453.**

In light of my veto of the proviso automatically appropriating 50% of the income collected by honorary consulates for their administrative expenses under this special provision, I accordingly place the remaining provisions therein under conditional implementation.

I must emphasize that a maximum of 50% of the consular income collected may be retained for reimbursement of administrative expenses. But, in all cases, the total amount of income retained and the subsequent allotments to be released to foreign missions and honorary consulates should not exceed the appropriations authorized in this Act for the purpose. Otherwise, the financing sources of this year's budget will be reduced since said income was already considered in the NG's revenue program for the year.

Accordingly, implementation of this special provision is subject to the foregoing conditions and the issuance of guidelines jointly by the DBM and DFA.

2. **DFA-OSEC, Special Provision No. 2, "Building Fund", pages 453-454.**

I wish to emphasize that the changes introduced in this special provision compel me to subject the use of the Building Fund to the following conditions:

(i) full utilization of appropriations for rental expense authorized to be used as

amortization payments in the case of lease-purchase agreements; and (ii) use of this Fund in accordance with its annual disbursement program, and within its available balance.

In view thereof, the DBM and DFA are hereby directed to jointly issue the implementing guidelines for this special provision.

**G. CONSTRUCTION OF FARM-TO-MARKET ROADS**

Similar to last year, changes were made under **DA-OSEC, Special Provision No. 3, "Implementation of Farm-to-Market Roads Projects"**, page 30, so that LGUs are no longer required to provide their share in the cost of the construction of FMRs. Likewise, the requisite masterlist of projects to be submitted by the DA to the DBM and DPWH was deleted.

I, thus, place this special provision under conditional implementation to ensure that LGUs shall provide a counterpart of not less than 10% of the project cost pursuant to Section 52 of R.A. No. 8435 (*Agriculture and Fisheries Modernization Act of 1997*). At the same time, the construction of FMRs should still be based on the aforesaid masterlist to ensure efficient and synchronized implementation, and easy monitoring of projects.

**H. ADVANCE PAYMENT FOR DRUGS AND VACCINES**

I observe that revisions made under **DOH-OSEC, Special Provision No. 3, "Advance Payment for Vaccines and Drugs"**, page 468, expanded DOH's privilege to make advance payments outside of my original grant of authority pursuant to Section 88 of Presidential Decree No. 1445 (*Government Auditing Code of the Philippines*). Such expanded authority opens the possibility for abuse in its implementation. I, therefore, reiterate the need for the DOH to issue the appropriate guidelines that is consistent with my original grant of authority.

**I. DELEGATION OF PROJECT IMPLEMENTATION**

In line with my veto of the proviso on the delegation of projects to LGUs by contract, I hereby place the remaining provisions in **DPWH-OSEC, Special Provision No. 1, "Restriction on Delegation of Project Implementation"**, page 708, under conditional implementation. Thus, implementation of DPWH projects may only be delegated to LGUs with demonstrated capability to undertake the same, and upon consultation with the representative of the legislative district concerned. The DPWH is hereby tasked to issue the necessary guidelines for the purpose.

**J. MULTI-YEAR CONTRACT FOR THE AFP MODERNIZATION PROGRAM**

To ensure the proper implementation of **AFP Modernization Program, Special Provision No. 2, "Multi-year Contracts"**, page 961, I hereby direct the DBM and AFP to jointly craft the necessary guidelines in the

issuance of a multi-year obligational authority relative to the multi-year contracts for the AFP Modernization Program.

**K. USE AND RELEASE OF FUNDS**

1. **Department of Education (DepEd)-OSEC, Special Provision No. 7, "Newly Established High Schools", page 64.**

The release of funds for the operational requirements of newly legislated/established high schools, as defined under this special provision, is subject to the condition that the establishment thereof is in accordance with the standards and criteria laid down in Department of Education Culture and Sports Order No. 5, s. 1989, and DepEd Order No. 71, s. 2003. In addition, the amount to be provided to newly legislated/established high schools should be based on the factors considered in determining the budgetary allocations of existing high schools in this Act.

The DepEd is accordingly tasked to provide the necessary guidelines for this purpose.

2. **DOH-OSEC, Special Provision No. 12, "Appropriations for Potable Water Supply", page 468.**

To properly carry out an integrated program for the provision of potable water supply to waterless municipalities, I hereby subject the implementation of this provision to guidelines to be jointly issued by the DBM, DOH and Local Water Utilities Administration.

3. **DOJ-Bureau of Corrections, Special Provision No. 4, "Subsistence and Medicine Allowance of Prisoners", page 514.**

The release of the amounts appropriated as subsistence and medicine allowance should be based on the actual number of prisoners under the management of the Bureau of Corrections.

4. **Autonomous Region in Muslim Mindanao (ARMM)-Autonomous Regional Government in Muslim Mindanao (ARGMM), Special Provision No. 2, "Release of Funds", page 881.**

Of particular interest are the revisions made under this special provision which now requires the audit of all prior releases to ARGMM as a condition precedent to the subsequent releases of funds by the DBM. I also note that the construction of buildings is now included among the authorized purposes of the lump-sum appropriation for various public works program under the ARGMM.

To avoid confusion in the implementation of this special provision, the following clarifications are in order: (i) the subject of the audit requirement

PGMA Halogram # 54203

is the lump-sum appropriation for various public works program under the ARGMM; (ii) the DBM is authorized to release allotments for the purpose since the audit requirement pertains only to the disbursements of appropriations to the ARGMM; and (iii) the construction of buildings should be excluded from the authorized purposes of this lump-sum appropriation since the same is included in the appropriations of the agencies concerned within the ARGMM.

The DBM and ARGMM should accordingly issue the appropriate guidelines for this purpose.

**5. E-Government Fund, Special Provision No. 1, "Use and Release of Fund", page 969.**

As in previous years, I hereby declare that despite the earmarking of One Hundred Million (P100,000,000.00) for the National Broadband Communications and Services Deployment for E-Governance, Education, Health and Agriculture, and Seventy Five Million (P75,000,000.00) for the E-District project of the House of Representatives from the E-Government Fund, said priority projects should still satisfy all the criteria enumerated under this special provision and comply with the guidelines issued by the Commission on Information and Communications Technology in the use of this Fund.

**6. PGF, Special Provision No. 1, "Payment of Pension", pages 986-987.**

With the objective of protecting the greater interest of our beloved veterans, I hereby declare that the payment of TAD pension under this special provision should be prospective and limited to surviving veterans. The DBM and Philippine Veterans Affairs Office should accordingly issue the joint guidelines for this purpose.

**7. Unprogrammed Fund, Special Provision No. 6, "Support for the Infrastructure Projects and Social Programs", page 993.**

To ensure uniformity in the implementation of this special provision, I hereby task the DBM to coordinate with the various agencies concerned and come up with a set of rules and criteria in lining up the proposed projects to be funded under Purpose 5, Support for Infrastructure Projects and Social Programs under the Unprogrammed Fund.

**L. PRINTING OF ACCOUNTABLE FORM AND SENSITIVE HIGH QUALITY/VOLUME REQUIREMENTS**

While I agree with giving preference to recognized government printers, namely, the Bangko Sentral ng Pilipinas, National Printing Office and APO Production Unit, Inc., in the printing of accountable forms as well as sensitive high quality/volume printing requirements as espoused under **General Provisions, Section 29, "Printing and Publication Expenditures",**

PGMA Hologram # 54204

page 1207, the same should, nonetheless be subject to the governing policy of competition and outsourcing of works and services to the private sector.

The Government Procurement Policy Board (GPPB), as the procurement policy arm of the Government, should first define or at least set the criteria or standards in determining what constitutes sensitive high quality/volume printing requirements which may be undertaken by the named government printers without the need for public bidding. Consequently, implementation of this provision should be subject to guidelines to be issued by the GPPB.

#### IV. GENERAL OBSERVATIONS

I likewise note the changes made in some special and general provisions which compel me to express my interpretations thereon.

**A. Congress of the Philippines, Special Provision No. 2, "Organizational Structure of the Senate, the House of Representatives, the Senate and House of Representatives Electoral Tribunals and the Commission on Appointments", page 9.**

As in previous years, allow me to express my complete confidence in the leadership of both Houses of Congress and the institutions covered by this special provision, that they will faithfully adhere to the constitutional principle of salary standardization enshrined as a state policy in R.A. No. 6758 (*Compensation and Position Classification Act of 1989*), as amended by the Senate and House of Representatives Joint Resolution No. 1, s. 1994 and Joint Resolution No. 4, s. 2009, and R.A. No. 6688 (*An Act Authorizing Annual Christmas Bonus*), as amended by R.A. No. 8441 (*An Act Increasing Cash Gift*).

Moreover, I wish to stress that any adjustment and modification in the organizational structure of these institutions should follow the scrap and build policy and other existing organization, staffing, compensation and position classification standards. Additionally, the creation of new positions as well as the grant of retirement benefits and separation pay, as the case may be, under this special provision should be funded from the appropriations or available savings of said institutions.

I trust that Congress will remain steadfast in its commitment to the fundamental policy set forth under Section 8, Article IX-B of the 1987 Constitution, which prohibits the payment of additional compensation, as well as the requirements of other relevant laws.

**B. State Universities and Colleges (SUCs), Special Provision No. 13, "Release of Appropriations for Branches of SUCs", page 380.**

In order to avoid any confusion, let me explain that the use of the word "appropriations" in the title of this special provision should not be construed as authorizing the direct release of appropriations under this Act to the branches of SUCs.

**C. ARMM-ARGMM, Special Provision No. 4, "Release of Funds for Salaries and Wages", page 881.**

It appears that this special provision was included by Congress to ensure the release of the salaries and wages of employees in the various offices of the ARGMM without delay. Accordingly, allow to me emphasize that the responsibility of the Office of the Regional Governor under this provision is not only to timely sub-allot the funds released by the DBM, but more importantly, to immediately distribute its corresponding cash allocations to the various offices in the ARGMM.

**D. ALGU-Municipal Development Fund, Special Provision No. 2, "Support for the Agriculture and Fisheries Modernization Program", page 957.**

I wish to clarify that the amount appropriated for the Mindanao Rural Development Program APL-II shall be in support of the Agriculture and Fisheries Modernization Program.

**E. Priority Development Assistance Fund, Special provision No. 1, "Use and Release of the Fund", page 990.**

The second paragraph of this general provision which requires implementing agencies to adhere to the price list and the rules and regulations to be issued by the GPPB in the procurement of common-use supplies must be understood to pertain to the mandate under Section 52 of R.A. No. 9184 (*Government Procurement Reform Act*), and Sections 52.1 and 53.5 of its Revised Implementing Rules and Regulations, for all implementing agencies to procure their common-use supplies from the Procurement Service.

**F. General Provision, Section 59, "Special Compensation and Other Benefits", page 1213.**

In the interest of clarity, allow me to elucidate that under this general provision, GOCCs and Government Financial Institutions which are exempt from, or are legally enjoying special compensation and other benefits superior to those provided under R.A. No. 6758, as amended, shall be governed by their special compensation laws. Accordingly, they shall not be entitled to the compensation and other benefits provided under or granted by virtue of R.A. No. 6758, as amended.

**V. INCREASES IN APPROPRIATIONS AND NEW BUDGETARY ITEMS**

Finally, allow me to underscore that there were changes, increases, reductions and new budgetary items introduced by Congress in the FY 2010 GAA. I hereby declare that

such changes, increases, realignments and new items shall be subject to the NG's cash program and prudent observance of responsible fiscal management, and to applicable rules and procedures during budget implementation, including Presidential approval pursuant to Section 25 (5), Article VI of the 1987 Constitution, and in accordance with the requirements of Section 35, Chapter V, Book VI of E.O. No. 292. Moreover, release of the increased items of appropriations is subject to the identification by Congress of new revenue measures in support thereof. Further, all allowable increase in appropriations should carry with it a corresponding increase in the respective outputs and improved outcomes of the agencies concerned.

## VI. CLOSING STATEMENT

As I near the end of my term as your President, I stand proud of what we have accomplished for our great nation given the resources that were available to us. With pride in the gains we have achieved, I see this year's budget as both the end and the beginning.

The end, as it is the culminating piece of work that embodies the nine years of our journey together as a nation. It contains the programs and projects that will complete the strategic investments we sought to enable our Ship of State reach its destination. Over the years, we have kept inflation at bay. Our GDP in peso terms and per capita measure increased. More jobs were generated. Almost all barangays are now provided with electricity. More houses were built for the poor. We have provided better access to secondary education. We have made affordable medicines accessible to poor families.

These and much more achievements were made possible because we dared to implement difficult but necessary fiscal reforms.

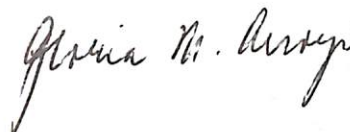

It is also very much the beginning from which the next President can build on the accomplishments laid down by this Administration. Accomplishments realized through years of hard work, fiscal reforms and effective budget restructuring.

Indeed, the FY 2010 GAA aims to leave a LEGACY of hope and promise of a better future for every Filipino of this and the next generation. With these and my enduring faith in the Filipino people, we can face the future with renewed hope and confidence.

Hand in hand, let us march forward for a better 2010 and onwards.

*Mabuhay tayong lahat!*

Very truly yours,
